

CTEIS User Group Conference Call
Wednesday, March 11, 2015
9:00 – 10:00 am
Notes from Conference Call

1. Roll Call of CEPDs. (See attached)

2. PTD Technology Update

- **Follow-up Training and Updates** – The Follow-up Training has been completed. PTD has implemented many new improvements to the Follow-up system, designed to make it easier for CTEIS Users to manage.

The Follow-up Lists have been released. PTD is receiving calls from CTEIS Users concerned about students who are not reflected on their Follow-up Lists. If you have similar concerns, we would encourage you to first verify that the student(s) in question has met the definition of a Completer – *completed (with a 2.0 or better) course-sections which cover all 12 segments of a program, and has taken the assessment (if available)*. If there is still a problem with the Follow-up List, please contact the PTD Technology Help Desk for assistance.

- **Spring Enrollment and Completion Training (4483)** – PTD will be offering two (possibly three) *webinars* entitled *Optimizing Spring Enrollment* – on March 26th and April 7th.

On April 14th PTD will begin regular trainings around the State for the **Spring Enrollment and Completion Collection (4483)**. Registration for webinars and training sessions is available on the PTD Technology website.

- **Completer Assessment (Comp A) Report** – PTD has recently released a new and improved Comp A Report. This report identifies students who (based on the segments they have completed/enrolled in) will be completers this year. This gives the CTEIS Users an idea of who their completers will be. Please understand, this report is only as current as your most recent validation.
- **Technical Skills Assessment (TSA) Extraction** – the next TSA extraction (to submit to test vendors) will occur on Friday, March 27, 2015. Students must be *enrolled* in at least one course-section in order to be included in the extraction. (The Student UICs extracted, will be provided to vendors the following week.)
- Please continue to provide feedback to PTD Technology at: cteis.help@ptdtechnology.com or ptdtech.atlassian.net/servicedesk/customer/portal/2

3. Issues from CTEIS Users

- Steven Billes – has a number of students that successfully met the definition of a completer and took the required assessment test; however, they did not receive credit for having taken the assessment test. Those students were, therefore, not included as Completters in the Consolidated Annual Report (CAR).

Joe Polasek indicated OCTE has recently heard from other CTEIS Users that have experienced the same problem. OCTE is currently working to determine the cause of this problem, and what can be done about it.

Doug indicated that CTEIS Users can determine if they have this problem by checking the student's enrollment history. If the students have completed 12 segments, and have taken the assessment, *but the Assessment Column indicates that the Assessment was not taken*, there is a problem.

Doug indicated that there is a column in the **Assessment Analysis Report** (entitled *Included in CPI*) that might also help CTEIS Users to determine if their students were correctly identified as having taken their assessment test.

- Michalene Lichon – indicated that she had a large group of students that had taken the assessment given sby *Precision*, but did not receive credit for taking the test. (Others conference call participants echoed similar issues with *Precision*.)
- Jennifer Perry – shared that the template format required by *Precision* is very specific, and requires attention to detail when entering students. Jennifer has not had any problems with receiving accurate assessment information from *Precision* for her students.
- Karen Maes – voiced concern that test vendors are not diligent about the UICs they provide back for students (sometimes using the student's ID, wrong numbers, or partial names).

Doug indicated a need for districts to help with the clean-up of UICs, so that the UICs can be joined, and accurate information provided/obtained from vendors. Using the TSA extraction is the best way to ensure that correct data is provided to the vendor.

- Cheryl Ulsh – is experiencing a lot of UIC Errors that are not getting resolved. Doug indicated that last week, they discovered a “wrench” in the UIC checker that was holding up the validation of UICs. This caused a huge back-log of UICs waiting to be checked. The “wrench” has been resolved, and the UIC checker is working again. We anticipate that the back-logged UICs should be processed by sometime next week.
- Robin Wolanin – expressed concern about the CIP Code change for the Culinary Arts program (12.9999 became **12.0500**), and how this year's students (in CIP Code 12.0500) will receive credit for segments completed last year under CIP Code 12.9999.

OCTE and PTD are still exploring the possibility of combining segments completed in CIP Code 12.9999 with segments completed in CIP Code 12.0500 – so that students receive credit for ALL completed segments of the Culinary Arts program – despite the CIP Code change.

- **As Always...** We encourage the CTEIS User Group, as representatives for their CEPD, to share information gleaned from these conference calls with other CTEIS Users in your respective CEPDs. Forwarding the Notes and information received from the conference calls is a good way to keep everyone informed, and may help to reduce problems, concerns, and errors.

Please see the PTD Technology website below for Minutes of past conference calls and additional information. <http://www.ptdtechnology.com/CTEIS/Home/tabid/61/Default.aspx>

CEPD Roll Call - CTEIS User Group

***Note:** If you participated in the **March 11, 2015** conference call, and your name is not checked, please email Joan Church to be added to the attendance list.

CEPD	Last Name	First Name	Representative	9-17-14	11-12-14 (NA)	1-7-15	3-11-15	5-20-15
