

CTEIS User Group Conference Call
Wednesday, September 14, 2016
9:00 – 10:00 am
Notes from Conference Call

1. Roll Call of CEPDs. (See attached)

2. PTD Technology Update

- **Fall Training** – is currently in progress. You can register for training on the CTEIS Knowledge Base site. (Links to the CTEIS Knowledge Base and the Training Calendar can be found on the CTEIS home page - under **Announcements** heading). Eventually, all information will be moved to the CTEIS Knowledge Base.

Training for CEPD Administrators and CTEIS Level 5 Fiscal Agents was recently completed. This training helps these individuals become familiar with resources available to help them for checking reports, and provides steps to review and validate reports.

- **4483** – Assessment corrections have been completed, and the vast majority have been assigned to student UICs. We anticipate running the funding and CPIs (Core Performance Indicators) in the near future.

3. Issues from CTEIS Users

- **Section 61b Reporting** – there were many questions concerning the reporting of Section 61b Early/Middle College (EMC) students and Dual Enrollment students. OCTE is putting together an internal team to more clearly define the differences between these students, as well as their funding eligibility. OCTE is also going to arrange some conference calls to specifically address questions concerning Section 61b.
- **Applying for approval of an Early/Middle College vs. a CTE EMC Program (CIP Code)** – There seems to be confusion surrounding these two separate processes. Before a district can apply for a CTE EMC program (CIP Code), they must first have a state-approved Early/Middle College.
- **Applying for an Early/Middle College (entity)** - Please direct questions concerning the process for state approval of an Early/Middle College to:

Beverly Brown (517) 335-4670 brownb21@michigan.gov

- **Applying for a CTE Early/Middle College Program (CIP Code)** – To apply for a CTE EMC program CIP Code, simply submit a New Program Application in CTEIS for a specific CIP Code, and select the “program type” of **EMC State-Approved Program** (or EMC Emerging Program, if applicable).

Important Note: the district must apply for a CTE EMC program (CIP Code) during the **first application window** (October 10 – December 9, 2016), in order to be considered for Section 61b funding in the **2016-17** year.

- **Section 61b vs. Section 61a1** – please be aware that these are two separate funding streams, with different rules and reporting deadlines.

Section 61b Reporting Deadline – The final deadline for reporting all **EMC and Dual enrollments** in CTEIS for Section 61b funding purposes, is **March 16, 2017**. Section 61b funds (for enrollment reported in March 2017), will be distributed in **April 2017**.

Questions concerning the reporting of students for **Section 61b** funds should be directed to:

Joe Polasek (517) 335-3066 polasekj3@michigan.gov
Althanie Gardner (517) 241-6443 gardnera10@michigan.gov

Section 61a1 Reporting Deadlines – The final deadline for reporting enrollments in CTEIS for Section 61a1 funds is **June 29, 2017**. However, these students must be enrolled in course-sections with a correct UIC, by **May 16, 2017** in order to be matched to their MSDS records (required for funding eligibility). Enrollments reported in 2016-17 for Section 61a1 purposes, will generate Section 61a1 funds that will be distributed in **2017-18**.

Questions concerning the reporting of students for **Section 61a1** funds should be directed to:

Joan Church (517) 335-0360 churchj@michigan.gov

- **Reporting Section 61b Expenditures on 4033** – districts should report all state and local funds spent on both 61a and 61b programs. Please report all expenditures for your 61b programs (just as you would for 61a programs), on the 4033 Expenditure Report.
- **As Always...** We encourage the CTEIS User Group, as representatives for their CEPD, to share information gleaned from these conference calls with other CTEIS Users in your respective CEPDs. Forwarding the Notes and information received from the conference calls is a good way to keep everyone informed, and may help to reduce problems, concerns, and errors.

Please see the PTD Technology website below for Minutes of past conference calls and additional information.
