

CTEIS User Group Conference Call  
Wednesday, November 9, 2016  
9:00 – 10:00 am  
**Notes from Conference Call**

1. Roll Call of CEPDs. (See attached)

2. PTD Technology Update

- **Training** – all CTEIS trainings for expenditures and fall data entry have been completed. By next week the Level 5 Officials and CEPD Administrators will have the ability to release submitted reports.
- **Working On It...**
  - Level 5 Officials and CEPD Administrators will soon have the ability to release submitted reports.
  - Working through the Section 61a1 funding process, and running a battery of tests for accuracy. (Very close to being done with the X0107.)
  - Follow-up Reports should be coming out this week for last year's data that was submitted in May.

3. Issues from CTEIS Users

- Cheryl asked about the deadline for reporting Early/Middle College (EMC) students in CTEIS, and how to report 3<sup>rd</sup> trimester students.

Joe indicated that an official deadline for reporting EMC students has not yet been established, but it will be mid to late March. (The deadline will be posted on the CTEIS website – under Important Dates.) If there are special circumstances that require an extension, please contact Joe Polasek. OCTE queries the EMC enrollment in March and again in April – for funding purposes.

Cheryl indicated that she has EMC students in the same classroom with regular (non-EMC) students, and asked how to report them in CTEIS.

EMC programs are assigned a **separate PSN** (with the program type **EMC**). So in this case, the EMC students should be reported in the PSN with the EMC program type, and the regular students should be reported in the PSN with the REG program type.

Dual Enrollment is designated at the course-section level. If these had been dual enrolled students and regular students in the same classroom, they would be reported in two separate course-sections. (The course-section with the dual enrolled students would be designated **dual enrollment**.)

Cheryl asked about a PIC (personal identification code) to use for EMC instructors. Doug indicated that a generic PIC (EMC Staff – 9999992 – not assigned) has been established for this purpose.

Cheryl asked if the Completer, Student History, and Segment Q reports have been updated. Doug indicated that the data for these reports are being checked during the 61a1 funding process. Once the data checks are complete, these reports will be repopulated.

- Anne Kea asked about the next deadline for technical assessments extraction – November 25<sup>th</sup>. Steven asked if that extraction date could be delayed until mid-December. Those extraction dates are negotiated with the vendors, and cannot be changed.
- Stacy asked if the CTEIS website could be expanded to fit a larger screen. Doug is looking to rebuild a lot of CTEIS over the next year, to take advantage of the larger monitors – but will have to start from the ground up.

**As Always...** We encourage the CTEIS User Group, as representatives for their CEPD, to share information gleaned from these conference calls with other CTEIS Users in your respective CEPDs. Forwarding the Notes and information received from the conference calls is a good way to keep everyone informed, and may help to reduce problems, concerns, and errors.

**Please see the PTD Technology website below for Minutes of past conference calls and additional information.**
