

CTEIS User Group Conference Call
Wednesday, March 13, 2019
9:10 – 10:00 am

Notes from CTEIS Conference Call

1. Roll Call of CEPDs. (See attached)

2. PTD Technology Update

- **CTEIS Training and Miscellaneous**

- **March 15, 2019** - deadline for reporting students eligible for Section 61b funds in CTEIS.
- **March 19, 2019** – Training webinar plus afternoon on-line workshop, to support CTEIS Users, answering questions as they work on their reports.
- PTD Technology will also offer 3 live CTEIS trainings in April:
 - April 16, 2019** – East Lansing
 - April 17, 2019** – Grand Rapids
 - April 25, 2019** – Wayne area (TBD).

- **CTEIS Issues Discussion**

- Transition to the new CTEIS has presented some challenges. Your patience and feedback have been much appreciated as we work to resolve these issues as quickly as possible.
- Upload issues have now been resolved.
- The UIC Checker was bogged down, creating a backlog of UICs waiting to be checked – should be resolved by the end of the day.
- The Bad UIC Report displays unfamiliar error messages. Doug explained that CEPI has installed a new UIC checker. PTD is working with CEPI to better define error messages, and to fine-tune the degree of match required to pass the validation for specific data items.
- The Bad UIC Report doesn't reflect programs, only buildings. PTD is developing an export designed to include many more data elements (students, courses, etc.). It was requested that **sending districts** also be added to the list of items in the export – and that the report be available in Excel. (**Sending districts have been added to the export as of March 19, 2019**)
- Look-up Tool (used to identify district and building codes) is currently not available but will be added as time permits.
- Program Enrollment Report currently unavailable. (PTD is working on it.)
- Program History Report is supposed to reflect all completed segments for each student but no longer shows the segments from prior years. (PTD is working on it.)
- Ability to import High School Credits (PTD is working on it.) The over-writing problem has been fixed.
- Default credits (set at the course level) are not reflected for the students in the course. (Doug will check into this.)
- High School and College Credits were imported and are reflected in CTEIS, but when the report is run, the credits show as zero. (Doug will check into this.)
- Segment Q Report – students' history does not appear--only current enrollment is reflected. (Doug will check into this.)

- **UIC Validation Codes**

- 0 = Invalid
- 1 = Match
- 2 = "Good Enough" – will pass validation
- 4 = Over-riden

- **Important Note: Regarding 61b Reporting in CTEIS**

Although all CTE EMC and CTE Dual Enrolled students eligible to generate 61b funding need to be enrolled in CTEIS by March 15, 2019 to generate 61b funding, the UICs for these students **do NOT** have to be validated by March 15th – in order to be qualify for Section 61b funds. The UICs for all 61b-eligible EMC and Dual Enrolled students will be extracted from CTEIS and included in the calculation for Section 61b funds - **regardless of validation status**. However, districts will need to ensure that these UICs are valid by the May 15th deadline -- the same as all UICs that are reported in CTEIS.

As Always... We encourage the CTEIS User Group, as representatives for their CEPD, to share information gleaned from these conference calls with other CTEIS Users in your respective CEPDs. Forwarding the Notes and information received from the conference calls is a good way to keep everyone informed, and may help to reduce problems, concerns, and errors.

Please see the PTD Technology website below for Minutes of past conference calls and additional information.
