

# CTEIS User Group Conference Call

Wednesday, May 9, 2019

9:30 – 10:30 am

## Notes from CTEIS Conference Call

1. Roll Call of CEPDs. (See attached)
2. PTD Technology Update
  - CTEIS Deadlines and Miscellaneous
    - **May 9, 2019** - deadline for Follow-up Reports. PTD is taking a closer look at the Follow-up data being submitted. If they see anything that looks odd, they will contact the district to verify it.
    - **May 15, 2019** - deadline to enroll students in CTEIS course-sections. Students must be enrolled in at least one course-section, with a good UIC, by this date. (It is not necessary to run the validation by May 15<sup>th</sup>.) This early deadline is required in order to check CTEIS student data against other State systems.
    - **Validation** - PTD is in the process of testing the validation. It should be available sometime next week. The validation checks UICs and courses to see if they are valid and align with established parameters.
    - **June 13, 2019** - deadline for CEPD Options. The CEPD Options portion of CTEIS is currently under construction, but should be available in the next two weeks.
    - **June 20, 2019** - deadline for EOY Final Enrollment Reports. (CEPD Administrator approval due on June 27, 2019)
3. Issues from CTEIS Users
  - Mass Course Edit function is not working properly. PTD is currently working on this problem and plans to release a correction yet this week.
  - UIC Core Fields – Michelle indicated that CTEIS would not allow her to change some of the UIC data. Doug explained that some of the UIC Core Fields cannot be changed (by design), and recommended that she call John Hazen for help.
  - Certifications - Doug indicated that the profile for Certifications will be available by Friday. (PTD will send out a notice once the Certification profile is available). Directions for adding Certifications will be provided next week.
    - The Certifications that were reported last year (including “write-ins”) were reviewed and refined by OCTE Program Consultants, to provide the current drop-down list of Certifications that will appear in CTEIS this year.
    - **June 15<sup>th</sup>** - deadline for entering Certifications.
    - Steven requested the ability to share Certifications across programs. Doug will look into this.
    - Steven asked about the possibility of identifying a Certification, and then assigning all applicable students to it (rather than opening each student record, and assigning Certifications to each individual student). Doug an OCTE will check into this for next year.
  - Section 61b Reporting There was confusion concerning the reporting of occupational courses for CTE EMC and CTE Dual Enrolled students.
    - Keep in mind that the main function of CTEIS is to collect CTE student data and CTE course data for funding purposes. (As a general rule, **non-CTE courses** should not be reported in CTEIS.) See attached guidance concerning Section 61b CTE Early Middle College and Section 61b CTE Dual Enrollment reporting.

- In addition, data submitted through CTEIS must meet TSDL (Teacher Student Data Link) reporting requirements for CTE courses. To meet these requirements (and avoid reporting the same information in both TSDL and CTEIS), all CTE courses reported in CTEIS are transferred to CEPI, to be included with the TSDL collection data.
- TSDL requires districts to report every class that an EMC student or Dual Enrolled student takes during the entire year. (Noted on page 5 of the Helpful Hints to TSDL Reporting document attached).
- CTEIS Users expressed frustration with the amount of time it takes to enter all the secondary and postsecondary CTE courses into CTEIS - for each individual CTE EMC or CTE Dual Enrolled student.
- Steven asked about the possibility of identifying the CTE postsecondary (occupational) course, and then assigning all applicable students to it (like he suggested for Certifications).
- Cheryl requested that some of the reports (currently offered by building) include the option to choose All buildings (within a District) -- in particular, the Missing Grades and Secondary Taxonomy reports.
- Excel Export – CTEIS Users would like some of the reports to be available in Excel format (rather than PDFs) – a more useful format for working with data. Reports requested in Excel format include:
  - Bad UIC Report by Building
  - Segment Q Report
  - Missing Grades Report
  - Completer Assessment Report
- Steven indicated that Acrobat Pro allows you to convert PDF files to Excel format. Sometimes it works well (other times, not so much), depending on the document layout – but worth trying.
- Additional Requests for Improvements
  - Add Segments to the Building Export.
  - Ability to export the Program Enrollment History Report (bldg. level) by CIP Code and in alpha order by student.
- UIC Validation Codes
  - 0 = Invalid – will appear on the “Bad UIC List”
  - 1 = Match
  - 2 = Need to check these. Core Fields don’t match MSDS – but will pass validation
  - 4 = Over-ridden
- Cheryl Ulsh and Cindy Masters indicated that programs from other districts are appearing in their CTEIS view. Doug will check into this and get it corrected.
- PTD is exploring new Help Desk Ticketing System options that would integrate into their project management systems.
- Steven expressed appreciation for the improvements made to the UIC Checking system– thanks PTD!

**As Always...** We encourage the CTEIS User Group, as representatives for their CEPD, to share information gleaned from these conference calls with other CTEIS Users in your respective CEPDs. Forwarding the Notes and information received from the conference calls is a good way to keep everyone informed, and may help to reduce problems, concerns, and errors.

**Please see the PTD Technology website below for Minutes of past conference calls and additional information.**
