

CTEIS User Group Conference Call
Wednesday, September 18, 2019
9:00 – 10:00 am
Notes from Conference Call

1. Roll Call of CEPDs. (See attached)
2. PTD Technology Update
 - **CTEIS Update**– CTEIS is now open for reporting enrollment. There was an issue with renewing courses – if you have this problem, contact PTD Technology.
 - Expenditures Pilot (with live data) started. If anyone is interested in pilot testing, contact Doug at PTD Technology. Testing will continue through next week.
 - Expenditure Training will begin next week. There are three training dates: September 26, October 1, and October 3. You can register for training on PTD's website.
 - Follow-up will be starting up in **October**. Pilot testing will begin in early October. If you are interested, contact Doug at PTD Technology.
 - New Programs is now open for submitting new program applications in CTEIS.
 - X0107 Funding Report PTD is hoping to process the X0107 in the next couple weeks.
3. Perkins V Reporting Discussion
 - **Perkins V Reporting Requirements** – As part of the 2019-20 4483 Enrollment Report (due in June 2020), districts will be required to report (by individual student):
 - Credentials earned by students
 - One example of Work-Based Learning experienced by students

For work-Based Learning, OCTE plans to provide a list of different types of work-based learning, in rank order of intensity. Districts would choose the most intensive type of work-based learning experienced by each student. Currently, OCTE does not have any more details about the collection of these data elements.

Credentials will be collected by student within PSN. During the conference call, we asked for input and suggestions from CTEIS Users to make the entry of these data items as easy and efficient as possible; e.g., what kind of import structure may be helpful?

- Steven – would like to import the list of credentials into CTEIS, using the following fields: UIC, Student Last Name, PSN, Credential
- Cheryl – asked if credentials could be part of the grade import.
- Several people indicated that districts still need the ability to enter these items by students (rather than using an import).
- Shannon asked if there will be certifications for all programs, and what the validation process for certifications will be. Val indicated that a Career Pathways Grant is forthcoming. The purpose of this grant is to have regions work with local businesses and post-secondary institution to determine credentials/certificates of value. They will start with four high-demand CIP Codes, and (over time) add credentials/certificates for additional CIP Codes.
- Val indicated that work-based learning experiences will be collected for all programs. OCTE is working on getting a list of work-based learning experiences to upload into CTEIS.

- Doug indicated that possibly CTEIS could produce a list of students by program that could be updated with credential information.
- Steven indicated that many students don't earn Certificates until the end of the year. A drop-down list of Certificates would be helpful.
- Doug asked the group: Where is the best location for reporting the work-based learning data?... Include it on the course enrollment screen... or on a separate screen?
- Kim asked if prior year work-based learning experiences should be reported. (OCTE does not yet have an answer for this question.)
- Jen asked if AWS welding certifications will be included? Val indicated that with Perkins V, all certifications/credentials will be reevaluated. We are taking a small subset of credentials that were implemented in Perkins IV to use for the 2019-20 reporting. (See attached subset of credentials that was emailed to CEPD Administrators.).

4. Questions from CTEIS Users

- Samantha asked when the list of student names will be available for Follow-up. Doug anticipates that it will be ready the first week of October.
- Beginning this year, Follow-up will include concentrators (rather than just completers), so there will be more students to follow-up. The concentrator definition will include students who have successfully completed (with a 2.0 or better) courses covering **8 segments** of instruction.

As Always... We encourage the CTEIS User Group, as representatives for their CEPD, to share information gleaned from these conference calls with other CTEIS Users in your respective CEPDs. Forwarding the Notes and information received from the conference calls is a good way to keep everyone informed, and may help to reduce problems, concerns, and errors.

Please see the PTD Technology website below for Minutes of past conference calls and additional information.
